

Creating shortcut on your iPhone / iPad

1. Go to: <http://nicuguidebook.uams.edu/>
2. Tap the **menu** icon

3. Then tap the **Add to Home Screen** option

4. Give the shortcut a name: **NICU Guidebook** then tap **Add**. This will take you to the homescreen where the shortcut is located. Click on that shortcut to access the NICU guidebook. It will act like any app on your phone or ipad.
